Lulu.com, United States, 2014. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The United States has a core national interest in maintaining peace and stability in the Middle East as well as containing or eliminating threats emanating from that region. Yet, if most American strategic analysts can agree on this assumption and these goals, there is often disagreement on the ways to best achieve them. In this monograph, Dr. W. Andrew Terrill presents his analysis of how the United States and other Western states might best address their military cooperation and basing needs within the Middle East, while still respecting and working with an understanding of regional and especially Arab history and concerns. He also provides the reader with policy recommendations based upon his analysis. This monograph is not intended to be an exhaustive examination of all U.S. basing activities or military cooperation in the Middle East. It also does not include a discussion of Israel, which would be a separate and important study in and of itself. Rather, it is an examination of other Middle Eastern.
