Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This is an impressive book by Kentucky Heritage Artist Robert A. Powell that contains images of Lexington s heritage over the past 200 plus years. Most of the subjects are landmarks today, and even the few that are more current have a noted history attached. A very few are only memories today, most can still be seen very much as depicted by Powell in his unique pen ink style that has long made him a favorite at interpreting subjects of Kentucky s fascinating history. He introduces the interesting collection with a brief look at the founding of what quickly became the Athens of the West and has remained a prestigious cultural center in the heart of the Bluegrass for more than two centuries. Each of the subjects is accompanied by a one-page description of the subject and its historical significance; especially to the heritage of Lexington. After an overall diverse array of images that represent nearly every aspect of Lexington and her culture, Powell wraps up his book with a brief essay on how the county itself evolved; an interesting story of its own.
