Reviews

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.

Chelsea Green Publishing Co, United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. For more than 10,000 years, grains have been the staples of Western civilization. The stored energy of grain allowed our ancestors to shift from nomadic hunting and gathering and build settled communities even great cities. Though most bread now comes from factory bakeries, the symbolism of wheat and bread amber waves of grain, the staff of life still carries great meaning. Today, bread and beer are once again building community as a new band of farmers, bakers, millers, and maltsters work to reinvent local grain systems. The New Bread Basket tells their stories and reveals the village that stands behind every loaf and every pint. While eating locally grown crops like heirloom tomatoes has become almost a cliche, grains are late in arriving to local tables, because growing them requires a lot of land and equipment. Milling, malting, and marketing take both tools and cooperation. The New Bread Basket reveals the bones of that cooperation, profiling the seed breeders, agronomists, and grassroots food activists who are collaborating with farmers, millers, bakers, and other local producers. Take Andrea and Christian Stanley, a couple who taught themselves the craft of malting and opened the first malthouse in New England in one hundred years. Outside Ithaca, New York, bread from a farmer-miller-baker partnership has become an emblem in the battle against shale gas fracking. And in the Pacific Northwest, people are shifting grain markets from commodity exports to regional feed, food, and alcohol production.Such pioneering grain projects give consumers an alternative to industrial bread and beer, and return their production to a scale that respects people, local communities, and the health of the environment. Many Americans today avoid gluten and carbohydrates. Yet,...
