Employment with a Human Face: Balancing Efficiency, Equity, and Voice

By John W. Budd

ILR Press. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 9.1in. x 5.9in. x 0.7in.John W. Budd contends that the turbulence of the current workplace and the importance of work for individuals and society make it vitally important that employment be given a human face. Contradicting the traditional view of the employment relationship as a purely economic transaction, with business wanting efficiency and workers wanting income, Budd argues that equity and voice are equally important objectives. The traditional narrow focus on efficiency must be balanced with employees entitlement to fair treatment (equity) and the opportunity to have meaningful input into decisions (voice), he says. Only through a greater respect for these human concerns can broadly shared prosperity, respect for human dignity, and equal appreciation for the competing human rights of property and labor be achieved. Budd proposes a fresh set of objectives for modern democraciesefficiency, equity, and voiceand supports this new triad with an intellectual framework for analyzing employment institutions and practices. In the process, he draws on scholarship from industrial relations, law, political science, moral philosophy, theology, psychology, sociology, and economics, and advances debates over free markets, globalization, human rights, and ethics. He applies his framework to important employment-related...
