Sometimes it is unavoidable, but in most cases the fault lies with the excessive severity of the laws, which in the end results in bribes given by those who can pay them, and does not lessen vice but instead leads to other crimes. Against such barbarity poets should direct their attacks, if they really want to be poets of the people. Depict cruelties, abuses, vices and crimes, for the existence of which the prevailing religion, the severity or caprice and unnaturalness of many a law code is to blame. 39 Pestalozzi, after discussing the circumstances which led a young woman to commit infanticide,...
