Group Publishing, 2015. Trade paperback. Book Condition: New. For preschool and elementary Leader Guides provide all small group leaders with background about the Bible Point as well as questions they can use in each Discovery Center to help kids apply the Bible Point to their daily lives. You'll notice a "Bible Background for Leader Enrichment" for each Bible account. Read this deeper insight into what kids will be learning, and take time to reflect on how you can weave this into your own life. The "Leading Kids in Journaling" section provides a quick reminder of the things Circle leaders will do with kids each week in their small groups. Then you'll find all the questions for the Discovery Centers, plus bonus questions to discuss as time allows. Having these questions on hand lets Circle leaders guide children in discussion at their own pace-and lets those of you who are Discovery Center leaders focus on the activity instead of rounding kids up for discussion.
