Picador USA, United States, 2015. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. Endlessly inventive . . . Mount Terminus reads at times like a more carefully modulated version of Donna Tartt s The Goldfinch. Or you might think of it as Marisha Pessl s Night Film on lithium. Ron Charles, The Washington Post After his mother s death, young Bloom boards a train with his bereaved father, Jacob, to Mount Terminus, their new home at the desolate end of the world. In a villa built atop a rare desert spring, they live apart from society, supported by the income from Jacob s invention: the Rosenbloom Loop, a piece of technology that has revolutionized the nascent art of filmmaking. There, Bloom grows up in the shadow of his father s grief. But Jacob can t protect his family from the drama of his past forever, and Bloom, who has budded into an eccentric genius, can t live alone at the top of a mountain. Prodded by his newly discovered half-brother, a man of startling ambitions, Bloom must come down and meet the world. A triumph of imagination, Mount Terminus by David Grand is a dark, majestic novel about art, family, overwhelming love, and the birth of Los Angeles: a spellbinding, atmospheric epic from a writer at the top of his game (Wesley Stace).
