His rejection of Descartes innate ideas constituted the basis for the discussion about abilities and rights of women in the 18th century. A.R. Humphreys noted: Throughout the century a skirmish went on between conservatives who argued forthe grand principle of subordination and progressives, who, guided by the clearlight of reason, contended for woman s rational and social equality. 1The married woman was considered to have neither rights nor property due to the fact that with the marriage all her property exchanged automatically to her husband. The ideal of marriage in the 18th century is described by W.L. Blease: the ideal of marriage had been brought to its lowest...
