Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Common Sense Rules: What You Really Need to Know About Business, Deborah Meaden, Deborah Meaden is known to millions for her straight-talking, no-nonsense approach on BBC2's "Dragons' Den", and in "Common Sense Rules" she shares insights and observations gleaned from a life lived in business. Some of them come from witnessing the successes - and the failures - of others. Many more, though, are drawn from her own business ventures. She shows, for example, how an early stint in a holiday park gave her a crash course in customer relations. She frankly and honestly analyses why her first enterprise, which started so promisingly, turned sour. And she explains why turning down a multimillion-pound offer for her chain of holiday parks was the best decision she ever made. As direct and to-the-point on the page as she is in the Den, Deborah Meaden is a superbly clear-sighted and experienced observer of business success, and her book is guaranteed both to inform and inspire.
