More kids than ever feel worried, stressed out, and anxious every day. Their parents and teachers may not know--because kids don t want to talk about it, or they don t know how to put their worries into words. Their secret stress surfaces as stomachaches, headaches, fatigue, trouble sleeping, loss of appetite, and an inability to concentrate. These and other stress-related symptoms can have a negative effect on school performance, family life, and friendships. From the best-selling authors of True or False? Tests Stink!, this book is a helping hand for kids and an eye-opener for adults. Reassuring words, silly jokes, and light-hearted cartoons let kids know they re not the only worry-warts on the planet--and they can learn to manage their stress. A What, Me Worry? section describes the causes of stress and its physical and emotional effects. How to Be a Panic Mechanic gives kids ideas for dealing with stress and being stronger and more assertive. Upbeat, positive, fact-filled, and friendly, this is the book on stress for kids and young adolescents.
