Rodale Books, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "We have four Doberman Pinchers at home and before we started them on the Paleo diet, there were all kinds of problems with skin breakouts and allergic reactions. Since the time we changed their diet, none of those things occur. That's why I think this is a very important book for all dog owners."William Shatner"PALEO DOG is the bible for every dog lover. A must-read."Tony O'Donnell, Ph.D."PALEO DOG is the only book of its kind that I have ever read that is totally honest, unblemished by hidden advertorial content, and presents complex nutritional information in a highly accessible and interesting manner. The way the book treats the often-contentious issue of vaccination is evidential and quite easy to understand and implement. Nutritional advice is totally sound, and may indeed bring a smile to people who want to feed their pet better while saving money at the same time. PALEO DOG is refreshing, highly informative and a probable life saver for our four legged best friends."Jonathan Eisen, Co-Editor, The New Zealand Journal of Natural Medicine "PALEO DOG takes canine health back to the future by partnering what worked for doggy ancestors with modern scientific advances. This lifestyle manual for dogs includes exhaustive research, a conversational tone, and a tell-it-like-it-is approach to offer dog lovers the tools they need to make informed choices to improve their best friend's health with natural, earth-friendly techniques."Amy Shojai, CABC, award-winning author of New Choices in Natural Healing for Dogs & Cats "PALEO DOG is a must-read for all pet guardians wishing to help their dogs thrive. It is the go-to resource for the physical, mental and emotional needs of dogs. Dr. Hofve and Dr. Yarnall have done a masterful job...
