Opportunity for abundant illustrative drawing is presented throughout the elementary grades, in order that the child may use such drawing as a means of expression. Instruction in object drawing is also systematically given, in order that from the entrance of the child into school he may steadily gain in the power to see, to make discriminative judgments, and to record the results of such judgments with ease and certainty. Constructive work is early presented in order that he may acquire dexterity and skill in the handling of simple tools and in the manipulation of a variety of materials. Constant opportunity is given for personal initiative and original solution. Throughout the course, the work in Design is related to that in Construction, as it is believed...
