Excerpt: . . . for taking action against participants not progressing as expected - it will be difficult for them to ensure that all participants are meeting program expectations. We recommended that DOE develop a system for tracking participants progress in completing key steps associated with its Climate VISION Program, and that both EPA and DOE develop written policies establishing the actions the agencies will take if participants are not completing program steps on time. DOE and EPA appear to have taken steps to implement our recommendation regarding a written policy, but we have not conducted a comprehensive review to determine the extent to which the recommendations have been implemented. The specific types of emission reduction goals being established by Participants in Both Climate Leaders firms and Climate VISION groups varied. Of the 38 firms Programs Have Set participating in Climate Leaders that had established emission reduction Quantitative Emissions-goals as of November 2005, 19 had committed to reduce their total Related Goals greenhouse gas emissions, 18 had committed to reduce their emissions intensity (emissions per unit of...

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
