By Yoji Yamakuse

Stone Bridge Press, United States, 2016. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book. This book looks at the core life concepts and shared values that historically and culturally define the quality of being Japanese. How can Western analogues of these Japanese virtues help us improve our own societies and cultivate inner strength, mindfulness, and long-lasting relationships at home and the workplace? This stimulating exploration of an alternative ethics and humanism is a provocative workbook for decluttering the spirit.
