Reviews

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

Discovery Walking Guides Ltd, United Kingdom, 2004. Paperback. Book Condition: New. 210 x 121 mm. Language: English . Brand New Book. A hundred kilometres northwest of Seville lies a region of truly unspoilt rural Spain. Once a province of Portugal the Sierra de Aracena encapsulates almost everything that we look for as the idyllic walking destination; rural beauty in flora and fauna, breathtaking landscapes, unspoilt towns and villages linked by old donkey trails. All it lacks are high mountains. The Spanish have known about this isolated region for sometime and arrive at weekends and in mid-summer, but on weekdays and out of season it returns to peaceful tranquility. Few outsiders know of this delightful region and you can be the first to read about it in English. We first discovered the region five years ago, when we thought it too isolated to justify a guide. Since then we have returned regularly, completing our walking research and map surveys in Oct/Nov 2003 and final walking research in May 2004. Now we feel the time is here to introduce you to our secret. Picture sloping meadows dotted with Cork Oaks where herds of inquisitive Iberian black pigs roam at will in a piggy paradise, switch to pollarded Chestnut trees with lively herds of goats, switch to the flock of sheep and lambs that graze outside the apartments at Villa Turistica Fuenteheridos, add in horses and donkeys grazing amongst the trees and meadows and you have the picture of an idyllic bucolic landscape. The wild life is equally impressive, we saw two black vultures on our first day and another two days later. Wild flowers abound like nowhere else. Botanists arriving in Spring will think they have landed in paradise. At first we tried keeping notes of the species, but had to give...
