Blue Dolphin Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Straw into GoldIllness, Loss, and Hardship as a Path to Inner PeaceDiane LaRae BodachThis book is a journey about being human, about opening to life in whatever form it takes and extending loving kindness to oneself and others no matter what. It tells the story of many who have endured great physical and emotional losses in the form of chronic illness, pain and disability as well as through relationships and identities that, once held dear, are stripped away.Diane LaRae Bodach is brutally honest, yet wholly compassionate, in her self-examination, and in the telling of her spiritual and physical journey through life, including chronic illness, cancer, and impending death. Her experiences and wisdom, her willingness to be with life and self exactly as they are, and to open to all that comes her way -- no matter how difficult -- can benefit us all.Although this book journeys through intense pain and loss, the ultimate teaching is that whoever you are, and no matter what life presents, love, compassion and joy are always possible; suffering is optional.ISBN: 978-1-57733-223-7Endorsements A beautifully written, searingly honest, and profoundly moving account of one woman s journey through chronic illness and suffering, and the life lessons she learned.
