It refers to the coded knowledge of the ancient Kahunas, who were known for healing the sick, controlling the weather, walking over hot lava, and predicting and changing the future. Huna techniques are combined with Thought Field Therapy (TFT) and Emotional Freedom Technique (EFT). TFTEFT methods are based on energy therapies similar to acupuncture. They have been shown to effectively remove deep psychological fixations, complexes, fears, anxiety, phobias, and negative emotions, without the need of expensive talk therapies. Written in a simple style, the book includes many practical exercises and illustrations designed to gradually develop and apply the principles. Each exercise includes a step-by-step procedure. You do not have to be skillful at psychic work. Any one who takes the time to apply Huna can soon achieve important results to improve hisher life.
