This pdf is definitely worth getting. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Last Rites: (Resnick 10), John Harvey, Lorraine Preston's brother, Michael, was sent down for life for the murder of their father - and now he's being allowed out for their mother's funeral. A hardened criminal, Michael Preston is the last person Resnick wants back on his patch, even if it's only for a matter of hours. Heartsore and world-weary, Resnick is struggling to contain an explosive situation on the streets, where the spread of guns has led to a frightening escalation in drug-related crime. The local force, meanwhile, is riven by internal rivalries and rumours of corruption. With his previously stable relationship with Hannah Campbell wavering, Resnick is forced back on his self-belief, his understanding of people. Why - himself included - they do the things they do.
