The Second Conflict

By John Thomas O'Halloran

Hardback. Book Condition: New. Not Signed; Why do names like The Devil, Satan and Lucifer exist, who are they now, what new names have these symbols of evil taken on; who among us, have they seduced with promises of wealth and power to aid them in their bid to rule us all? The first of three books, The Second Conflict, is an epic story that occurs one thousand years after the first war that tore apart a perfect new world, where to begin with there is total harmony and plenty, until one of the triplet sons of The King of Kings, Satan, who is greedy for power loses patience. He is ruthlessly ambitious and impatient to rule the children of the four tribes, in place of his father and The Magii, who govern the four quarters of the East, South, West and North, where the tribes live. It is not just his father's power that Satan wants; he is also determined to obtain the secrets of the universe that the Magii possess. Satan and his followers, whose numbers and power grow, finally confront his father, however they are unprepared for his merciless response after a battle that destroyed the peace...

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
