Each verse is written, and serves as if it was a real daily painting. The language used by the author is clear, neat and deep that keeps you very attentive. I believe the words are carefully chosen to awaken the spirit. Like the unknown My writing is older than my heart AD In some of the poems from The Shadow of the Veins do not lead you all alone in a mysterious world, as you are reading, you are traveling and discovering many cultures. In this museum of poems a human dream can be revive, and fantasies reality. The author combines what he accepts as true, what he experiences as true in order to live as true. His pen is his shield, his tool, and his weapon. He writes for you, for me, and for all the others to find rhythm.
