Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually writter in basic phrases rather than confusing. You will like how the writer publish this book.
(Melody Jakubowski)

Dover Publications. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 8.1in. x 5.1in. x 0.4in.Man was born free, but everywhere he is in chains. Thus begins Rousseaus influential 1762 work, in which he argues that all government is fundamentally flawed and that modern society is based on a system of inequality. The philosopher posits that a good government can justify its need for individual compromises and that promoting social settings in which people transcend their immediate appetites and desires leads to the development of self-governing, self-disciplined beings. A milestone of political science, these essays are essential reading for students of history, philosophy, and other social sciences. G. D. H. Cole translation. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
