HarperCollins Publishers Inc, United States, 2001. Paperback. Book Condition: New. 2nd. 198 x 135 mm. Language: English . Brand New Book. In The Hispanic Condition, Ilan Stavans offers a subtle and insightful meditation on Hispanic society in the United States. A native of Mexico, Stavans has emerged as one of the most distinguished Latin American writers of our time, an award-winning novelist and critic praised by scholars and beloved by readers. In this pioneering psycho-historical profile, he delves into the cultural differences and similarities among the five major Hispanic groups: Cubans, Puerto Ricans, Mexicans, Central and South Americans, and Spaniards.Masterfully interweaving historical, literary, and political references with his personal experience, Stavans discusses the divisions within a common heritage; customs of music, love, sex, marriage, and religious belief; the role of the intellectual in society; ideological struggle; and the hopeful visions of the future at the core of a civilization rooted in the trauma of the past.
