Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Wartime Britain, Mike Brown, World War II affected every aspect of life on the British home front. From food rationing to air-raid shelters to war work, those left at home had to make huge changes in their day-to-day lives as Britain mobilised, economised, and saved in the name of Victory. "Wartime Britain" takes a look at what these changes actually meant for families: how families coped when parents went to fight and children were evacuated; how pets were fed during rationing; the rise in road accidents during the blackout; and, the infamous 'shelter cough'.
