RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 44 pages. Original publisher: Carlisle, PA: Strategic Studies Institute, U. S. Army War College: May be obtained from Publications Office, 2001. OCLC Number: (OCoLC)47992647 Subject: Budget -- United States. Excerpt: . . . agreement in its first congressional test on October 5. With this defeat, the Bush administration decided to allow the Democratic leadership to formulate a new budget package that could pass the House and Senate. A revised budget resolution was quickly passed, and Congress then approved a budget reconciliation bill to implement the Democratic deficit-reduction program. This program, however, was quite different from the previous budget agreement. Revenue increases were larger, and much heavier tax burdens, including higher marginal rates, were imposed on upper-income taxpayers. Entitlement savings were sharply reduced. Of the approximately 480 billion in 5-year deficit reduction, only 75 billion came from entitlements and mandat or y spending, compar ed t o 190 billion in 26 discretionary spending savings. In sum, the 1990 OBRA legislation was a policy victory for congressional Democrats. The administrations lone success was in persuading Congress to retain multiyear budget process controls. Discretionary spending caps and pay-as-you-go (PAYGO)...

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- ***Aliya Franecki***

It in just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
