Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Outskirts Press, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Teachers have a challenging and often difficult job. They need inspiration. Christian inspiration! You re God s Gift to Teachers provides biblical encouragement to teachers. Uniquely, this book is targeted directly at teacher issues, with passages organized in 50 topics from A-Z. While the focus is on the bible verse, the author writes a specific context for teachers for each passage. This helps the reader have a greater understanding of the application, and therefore appeals to not only the strong Christian but also the newer Christian or even someone simply interested in a Christian perspective. Topics include Caring, Confidence, Empathy, Faith, Generosity, Helping Hand, Integrity, Laughter, Leadership, Perception, Priorities, Service, Teamwork and many more. A recurring theme is that God has given you the gift of being a teacher. While the teacher is finding encouragement through the passages, they are also to pay it forward to their students. A passage on Love from Romans 12:9 states Don t just pretend to love others. Really love them. Hate what is wrong. Hold tightly to what is good. Author Marder adds Loving a student really means never giving up on them and constantly expressing hope. Show them you value the difference between right and wrong, something they can hold onto for their whole life. The topic on Positive Thinking from Philippians 4:8 states And now, dear brothers and sisters, one final thing. Fix your thoughts on what is true, and honorable, and right, and pure, and lovely, and admirable. Think about things that are excellent and worthy of praise. Marder notes, So now you know - it s not the self help gurus of the 20th century that came...
